Trax✓Print

Notification

Stop Identification Fraud Before It Occurs

With the use of Trax Print on identification documents you can stop fraud before it occurs.

Be notified when someone scans your document

When a Trax Code protected document or ID is scanned the owner will be notified instantly.

If that person has not given out their documents they can then go to the authorities and report it

The authorities can then apprehend the perpetrator before one cent is stolen.

Stop the Fraud before it happens, not after

Perfect for
- Pay Slips
- Group Certificates / W2
- Tax Assessments
- Drivers Licence
- Passports
- Birth Certificates
- Utility bills
- Student Cards
- Many More
